2. Licensed Access to the Software Service.

(a) **Grant of License.** During the term of this Agreement, Vigilant grants Agency a non-exclusive, non-transferable right and license to access the Software Service for use in accordance with the terms of this Agreement.

(b) **Authorized Use.** Agency is prohibited from accessing the Software Service other than for law enforcement purposes.

(c) **Ownership of Commercial LPR Data, Commercial Booking Images, FaceSearch Software and LEARN Software.** Except for the rights expressly granted by Vigilant to Agency under this Agreement, Vigilant retains all title and rights to the Commercial LPR Data, Commercial Booking Images, FaceSearch Software and the LEARN Software. Nothing contained in this Agreement shall be deemed to convey to Agency or to any other party any ownership interest in or to any LPR Data, Booking Images, FaceSearch Software or LEARN Software.

(d) **Restrictions on Use of Software Service.** Except as expressly permitted under this Agreement, Agency agrees that it shall not, nor will it permit a User or any other party to, without the prior written consent of Vigilant, (i) copy, duplicate or grant permission to the Software Service or any part thereof; (ii) create, attempt to create, or grant permission to the source program and/or object program associated with the Software Service; (iii) decompile, disassemble or reverse engineer any software component of the Software Service for any reason, including, without limitation, to develop functionally similar computer software or services; or (iv) modify, alter or delete any of the copyright notices embedded in or affixed to the copies of any components of the Software Service.

(e) **Third Party Software and Data.** If and to the extent that Vigilant incorporates the software and/or data of any third party into the Software Service, including but not limited to the LEA LPR Data, and use of such third party software and/or data is not subject to the terms of a license agreement directly between Agency and the third party licensor, the license of Agency to such third party software and/or data shall be defined and limited by the license granted to Vigilant by such third party and the license to the Software Service granted by Vigilant under this Agreement. Agency specifically acknowledges that the licensors of such third party software and/or data shall retain all ownership rights thereto, and Agency agrees that it shall not (i) decompile, disassemble or reverse engineer such third party software or otherwise use such third party software for any reason except as expressly permitted herein; (ii) reproduce the data therein for purposes other than those specifically permitted under this Agreement; or (iii) modify, alter or delete any of

the copyright notices embedded in or affixed to such third party software.

(f) Non-Exclusive Licensed Access. Agency acknowledges that the right or ability of Vigilant to license other third parties to use the Software Service is not restricted in any manner by this Agreement, and that it is Vigilant's intention to license a number of other LEAs to use the Software Service. Vigilant shall have no liability to Agency for any such action.

3. Other Matters Relating to Access to Software Service.

(a) Accessibility. The Software Service, LPR Data, Booking Images and associated analytical tools are accessible to LEAs ONLY and are accessible pursuant to one of the following two methods:

(1) Application Programming Interface (API). The API access method allows for integration of the LPR Data and Booking Images into external third-party analytic tools. The API does NOT provide ownership rights to the LPR Data or Booking Images, only access during the subscription period. The API is available only in conjunction with a Software Service Subscription for an additional fee.

(b) Access to LEA LPR Data. LEA LPR Data is provided as a service to LEAs at no additional charge.

(c) Access to LEA Booking Images. LEA Booking Images are provided as a service to LEAs at no additional charge.

(d) Eligibility. Agency shall only authorize individuals who satisfy the eligibility requirements of "Users" to access the Software Service. Vigilant in its sole discretion may deny Software Service access to any individual based on such person's failure to satisfy such eligibility requirements.

(e) Account Security (Agency Responsibility).

(1) Agency shall be responsible for assigning an account administrator who in turn will be responsible for assigning to each of Agency's Users a username and password (one per user account). Agency will purchase a set of user licenses. Agency will cause the Users to maintain username and password credentials confidential and will prevent use of such username and password credentials by any unauthorized person(s). Agency shall notify Vigilant immediately if Agency believes the password of any of its Users has, or may have, been obtained or used by any unauthorized person(s). In addition, Agency must notify Vigilant immediately if Agency becomes aware of any other breach or attempted breach of the security of any of its Users' accounts.

(2) User logins are restricted to agents and officers of the Agency. No User logins may be provided to agents or officers of other local, state, or Federal LEAs. LPR Data must reside within the Software Service and cannot be copied to another system, unless Agency purchases Vigilant's API. Booking Images must reside within the Software Service and cannot be copied to another system, unless Agency purchase Vigilant's API.

(f) Data Sharing. If Agency is a generator as well as a consumer of LEA LPR Data or LEA Booking Images, Agency at its option may share its LEA LPR Data and/or LEA Booking Images with similarly situated LEAs who contract with Vigilant to access the Software Service (for example, LEAs who share LEA LPR Data with other LEAs).

(g) Subscriptions. Software Service software applications, LPR Data and Booking Images are available to Agency and its Users on an annual subscription basis based the size of the agency.

(h) Available API. Vigilant offers an API whereby Agency may load LPR Data and/or Booking Images and provide for ongoing updating of LPR Data or Booking Images into a third-party system of Agency's choosing (the "API"). This service is offered as an optional service and in addition to the annual subscription fee described in Section 3(g). Vigilant will not charge a fee for API for Agency's Booking Images.

4. Restrictions on Access to Software Service.

(a) Non Disclosure of Confidential Information. Agency and each User will become privy to Confidential Information during the term of this Agreement. Agency acknowledges that a large part of Vigilant's competitive advantage comes from the collection and analysis of this Confidential Information and Agency's use, except as expressly permitted under this Agreement, and disclosure of any such Confidential Information would cause irreparable damage to Vigilant.

(b) Restrictions. As a result of the sensitive nature of the Confidential Information, Agency agrees, except to the extent expressly permitted under this Agreement, (i) not to use or disclose, directly or indirectly, and not to permit Users to use or disclose, directly or indirectly, any LPR location information obtained through Agency's access to the Software Service or any other Confidential Information; (ii) not to download, copy or reproduce any portion of the LPR Data and/or Booking Images and other Confidential Information; and (iii) not to sell, transfer, license for use or otherwise exploit the LPR Data and or Booking Images and other Confidential Information in any way. Additionally, Agency agrees to take all necessary precautions to protect the Confidential Information against its unauthorized use or disclosure and exercise at least the same degree of care in safeguarding the Confidential Information as Agency would with Agency's own confidential information and to promptly advise Vigilant in writing upon learning of any unauthorized use or disclosure of the Confidential Information.

(c) Third Party Information. Agency recognizes that Vigilant has received, and in the future will continue to receive, from LEAs associated with Vigilant their confidential or proprietary information ("Associated Third Party Confidential Information"). By way of example, Associated Third Party Confidential Information includes LEA LPR Data and/or LEA Booking Images. Agency agrees, except to the extent expressly permitted by this Agreement, (i) not to use or to disclose to any person, firm, or corporation any Associated Third Party Confidential Information, (ii) not to download, copy, or reproduce any Associated Third Party Confidential Information, and (iii) not to sell, transfer, license for use or otherwise exploit any Associated Third Party Confidential Information. Additionally, Agency agrees to take all necessary precautions to protect the Associated Third Party Confidential Information against its unauthorized use or disclosure and exercise at least the same degree of care in safeguarding the Associated Third Party Confidential Information as Agency would with Agency's own confidential information and to promptly advise Vigilant in writing upon learning of any unauthorized use or disclosure of the Associated Third Party Confidential Information. Notwithstanding the foregoing, Third Party Confidential Information shall not include data or information that is: (a) generally publicly known, (b) learned from third persons with a legal right to disclose such information to Agency, or (c) independently created by Agency through efforts in no manner associated with or arising from any disclosure made by Vigilant or any third party. In addition, Agency shall not be bound by this provision until it has been informed or has reason to know that Vigilant has received confidential or proprietary information from LEA's. If Agency or any User is requested or required (by oral questions, interrogatories, requests for information or documents in legal proceedings, subpoena, civil investigative demand or other similar process) to disclose any of the Third Party Confidential Information, Agency shall provide Vigilant with prompt written notice of such requirement so that Vigilant may seek a protective order or other appropriate remedy and/or waive compliance with the provision of this agreement, but disclosure by Agency or any User after delivering such notice shall not be deemed a default under this Agreement.

(d) Non-Publication. Agency shall not create, publish, distribute, or permit any written, electronically transmitted or other form of publicity material that makes reference to the Software Service or this Agreement without first submitting the material to Vigilant and receiving written consent from Vigilant thereto. This restriction is specifically intended to ensure consistency with other media messaging. The foregoing shall not prevent internal Agency communication regarding the LEARN Software Service or this Agreement, or communication with Agency's attorneys and advisors, and Vigilant acknowledges that the entering into this Agreement shall be of public record by virtue of Agency's reporting requirements for contracts awarded by Agency.

(e) **Non-Disparagement.** Agency agrees not to use proprietary materials or information in any manner that is disparaging. This prohibition is specifically intended to preclude Agency from cooperating or otherwise agreeing to allow photographs or screenshots to be taken by any member of the media without the express consent of Vigilant. Agency also agrees not to voluntarily provide ANY information, including interviews, related to Vigilant, its products or its services to any member of the media without the express written consent of Vigilant.

(f) **Survival of Restrictions and Other Related Matters.**

(1) Agency agrees to notify Vigilant immediately upon discovery of any unauthorized use or disclosure of Confidential Information or any other breach of this **Section 4** by Agency or any User, and Agency shall reasonably cooperate with Vigilant to regain possession of the Confidential Information, prevent its further unauthorized use, and otherwise prevent any further breaches of this **Section 4**.

(2) Agency agrees that a breach or threatened breach by Agency or a User of any covenant contained in this **Section 4** will cause irreparable damage to Vigilant and that Vigilant could not be made whole by monetary damages. Therefore, Vigilant shall have, in addition to any remedies available at law, the right to seek equitable relief to enforce this Agreement.

(3) No failure or delay by Vigilant in exercising any right, power or privilege hereunder will operate as a waiver thereof, nor will any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof.

(4) The restrictions set forth in this **Section 4** shall survive the termination of this Agreement for a period of two (2) years.

5. Fees, Term and Termination.

(a) **Fees.** Initial Service Fee for the Investigative Data Platform for Annual Subscription for 1,501 to 2,000 officers and agents of Agency is \$99,995, for the period of July 6, 2017 through July 5, 2018. If the Agency chooses to renew this agreement, pricing for the Investigative Data Platform fees for Year 2 shall be \$101,990; Year 3 shall be \$103,990; Year 4 shall be \$105,990 and Year 5 shall be \$107,990.

(b) **Term.** The Initial Term of this Agreement shall be for a term of one (1) year effective July 6, 2017 through July 5, 2018. (the "Initial Term").

(c) **Agreement Renewals.** The Agency has the option to renew this Agreement for an additional four (4) one-year periods from its expiration date.

(d) **Agreement Extension.** Agency reserves the option to temporarily extend this Agreement for periods up to ninety (90) calendar days from its expiration date for any reason.

(e) **Renewal Invoicing.** Sixty (60) days prior to the expiration of the Initial Term and each subsequent Service Period, Vigilant will provide Agency with an invoice for the Service Fee due for the subsequent twelve (12) month period (each such period, a "Service Period"). This Agreement will be extended for a Service Period upon Agency's payment of that Service Period's Service Fee, which is due 30 days prior to the expiration of the Initial Term or the existing Service Period, as the case may be. Agency may also pay in advance for more than one Service Period.

(f) **Termination.**

(1) Agency may terminate this Agreement upon thirty (30) days prior written notice to Vigilant for any reason. Agency shall not be entitled to a refund of the annual subscription fee, or any portion thereof, if Agency terminates the agreement prior to the end of a Service Period without cause. If Agency termination notice is based on an alleged breach by Vigilant, then Vigilant shall have thirty (30) days from the date of its receipt of Agency's notice of termination, which shall set forth in detail Vigilant's purported breach of this agreement, to cure the alleged breach. If Agency terminates this agreement prior to the end of a Service Period for breach of a material term or condition of this Agreement, Vigilant shall refund to Agency an amount calculated by multiplying the total amount of Service Fees for the Software Service paid by Agency for the then- current Service Period by the percentage resulting from dividing the number

of days remaining in the then-current Service Period, by 365.

(2) Vigilant may terminate this Agreement by providing thirty (30) days written notice to Agency for any reason. If Vigilant's termination notice is based on an alleged breach by Agency, then Agency shall have thirty (30) days from the date of its receipt of Vigilant's notice of termination, which shall set forth in detail Agency's purported breach of this Agreement, to cure the alleged breach. If within thirty (30) days of written notice of violation from Vigilant Agency has not reasonably cured the described breach of this Agreement, Agency shall immediately discontinue all use of the LEARN Software Service. If Vigilant terminates this Agreement prior to the end of a Service Period for breach, no refund for any unused Service Fees will be provided. If Vigilant terminates this Agreement prior to the end of a Service Period for no reason, and not based on Agency's failure to cure the breach of a material term or condition of this Agreement, Vigilant shall refund to Agency an amount calculated by multiplying the total amount of Service Fees paid by Agency for the then-current Service Period by the percentage resulting from dividing the number of days remaining in the then-current Service Period, by 365.

(g) **Effect of Termination.** Upon termination or expiration of this Agreement for any reason, all licensed rights granted in this Agreement will immediately cease to exist and Agency must promptly discontinue all use of the Software Service, erase all LPR Data and/or Booking Images accessed through the Software Service from its computers, including LPR Data and/or Booking Images transferred through an API, and return all copies of any related documentation and other materials.

6. Miscellaneous.

(e) Independent Contractor Status. Each party will at all times be deemed to be an independent contractor with respect to the subject matter of this Agreement and nothing contained in this Agreement will be deemed or construed in any manner as creating any partnership, joint venture, joint enterprise, single business enterprise, employment, agency, fiduciary or other similar relationship.

(f) Assignment of this Agreement. Neither party may not assign its rights or obligations under this Agreement to any party, without the express written consent of the other party.

(g) No Exclusivity. Additionally, Vigilant reserves the right to provide LPR Data and Booking Images to third-party entities for purposes of promotions, marketing, business development or any other commercially reasonable reason that Vigilant deems necessary and appropriate. Except to the limited extent expressly provided in this Section 6(j), no contrary or additional terms contained in any purchase order or other communication from Agency will be a part of this Agreement.

(l) Force Majeure. Neither party will be liable for failure to perform or delay in performing any obligation under this Agreement if nonperformance is caused by an occurrence beyond the reasonable control of such party and without its fault or negligence such as acts of God or the public enemy, acts of the Government in either its
